

JANUARY 25, 2010

Fellow Firefighter,

Thanks for your interest in the FOOLS. We are a group that is passionate about "The Job" and want to do everything to make ourselves, and our fellow Firefighters, better. You will find that those that choose to become a FOOL are the ones that truly believe in the Maltese cross on our sleeves and how we honor that symbol and its proud history.

Attached you will find our application as well as the FOOLS International application. You will also find our mission statement and a copy of our "P.O.S." clause. To join, please fill these out and bring them, along with \$25 to the next meeting you are able to attend. We will handle all paperwork. The fee covers your year's membership with us and FOOLS International. You will also receive a member T-shirt and your card. To find the location of the next meeting go to the website (midtennfools.com) and look under the calendar tab. You will usually find it on the third Tuesday of every month, but sometimes it changes due to scheduling.

Once again, we thank you for your commitment to The Job and your interest in the FOOLS.

Sincerely,

Ben Marler
